## **SUPERFOOD FORMULA**

The 'NEW' FSC Power Berry is an all-in-one formula packed full of goodness with the combination of Maqui, Bilberry and Acai Berries creating a powerful antioxidant.

The benefits of the Maqui Berry from Chile are said to hold the highest ORAC Value (Oxygen Radical Absorbent Quality Capability Value), giving it the ability to fight free radicals in our bodies.

The benefits of the Bilberry have demonstrated their powerful antioxidant action of anthocyanosides within the extract. Studies have supported the improvement of night vision and speeding up the eye's clarity and the ability to adapt to darkness and recover from darkness.

The benefits of the Acai Berry are again in the natural anthocyanosides creating powerful antioxidant properties.

All three berries are naturally rich in vitamins, minerals, essential fatty acids and phytosterols, which when combined with the natural anthocyanosides qualities make the FSC Power Berry an all-in-one Superfood Formula.
